

Privacy Policy for Pin Creation Automation

Last updated: 10-22-2025

1. Overview

This application is a personal tool that uses the Pinterest API to create and manage pins on my Pinterest account.

2. Information Collection

This app does not collect, store, or share any personal information from users. It only accesses my own Pinterest account through authorized API access.

3. Data Usage

The app uses Pinterest's API solely to:

- Create pins on my boards
- Upload images and descriptions
- Manage my Pinterest content

4. Third-Party Services

This app uses the Pinterest API, which is subject to Pinterest's Privacy Policy: <https://policy.pinterest.com/privacy-policy>

5. Data Storage

No user data is stored on external servers. All operations are performed directly through the Pinterest API.

6. Changes to This Policy

I may update this policy as needed. The "Last updated" date will reflect any changes.
